CALIFORNIA INSTITUTE OF HEALTH AND SOCIAL SERVICES DBA CHILDREN'S WAY FOSTER FAMILY AGENCY CONTRACT COMPLIANCE MONITORING REVIEW

The Department of Children and Family Services (DCFS) Contracts Administration Division (CAD) conducted a Contract Compliance Review of California Institute of Health and Social Services dba Children's Way Foster Family Agency (the FFA) in February 2015. The FFA has three licensed offices, one located in the Second Supervisorial District, one located in the Fifth Supervisorial District, and one located in San Bernardino County. The offices provide services to the County of Los Angeles DCFS placed children, as well as children from other counties. According to the FFA's program statement, its mission is "with the overall goal of reunification, Children's Way FFA will provide a range of services to placed children, including therapeutic treatment, educational/recreation support, emancipation services and behavioral support."

At the time of the review, the FFA supervised 96 DCFS placed children in 61 certified foster homes. The placed children's average length of placement was seven months and their average age was seven.

SUMMARY

During CAD's Contract Compliance Review, the interviewed children generally reported: feeling safe in the FFA certified homes, having been provided with good care and appropriate services, being comfortable in the placement environment and treated with dignity and respect. The Certified Foster Parents (CFPs) reported they were supported by the FFA staff in their efforts to provide care, supervision and service delivery to the children placed in their homes.

The FFA was in full compliance with 6 of 11 sections of our contract compliance review in the areas of Certified Foster Homes; Maintenance of Required Documentation and Service Delivery; Health and Medical Needs; Psychotropic Medication; Personal Rights and Social Emotional Well-Being; and Discharged Children.

"To Enrich Lives Through Effective and Caring Service"

CAD noted deficiencies in the areas of: Licensure/Contract Requirements, related to Community Care Licensing (CCL) citations; Facility and Environment, related to one CFP not having appropriate and comprehensive monetary and clothing allowance logs; Education and Workforce Readiness, related to one child not being enrolled in school within three days of placement; Personal Needs/Survival and Economic Well-Being, related to one child not being provided with their weekly monetary allowance and clothing allowance; and Personnel Records, related to one employee not receiving a timely health screening/tuberculosis clearance.

Attached are the details of CAD's review.

REVIEW OF REPORT

On June 24, 2015, Pamela Carolina, DCFS CAD, held an Exit Conference with the FFA representatives: Colleen Anderson, Executive Director; Carsha Brooks, Program Administrator; and Erika Huerta, Certification Manager. DCFS staff included Mary Espinosa, Out-of-Home Care Management Division (OHCMD). The FFA representatives agreed with the review findings and recommendations; were receptive to implementing systemic changes to improve the FFA's compliance with regulatory standards; and were in agreement with addressing the noted deficiencies in a Corrective Action Plan (CAP).

A copy of this report has been sent to the Auditor Controller (A-C) and Community Care Licensing (CCL). The FFA provided the attached approved contract compliance CAP.

CAD conducted a follow-up visit to the FFA on July 16, 2015, to verify implementation of the CAP.

AGENCY DBA CHILDREN'S WAY FOSTER FAMILY AGENCY
CONTRACT COMPLIANCE MONITORING REVIEW
FISCAL YEAR 2014-2015**

SCOPE OF REVIEW

The following report is based on a "point in time" monitoring visit. This compliance report addresses findings noted during the February 2015 monitoring review. The purpose of this review was to assess California Institute of Health and Social Services dba Children's Way Foster Family Agency's (the FFA's) compliance with its County contract and State regulations and included a review of the FFA's program statement, as well as internal administrative policies and procedures. The monitoring review covered the following 11 areas:

- Licensure/Contract Requirements,
- Certified Foster Homes,
- Facility and Environment,
- Maintenance of Required Documentation and Service Delivery,
- Education and Workforce Readiness,
- Health and Medical Needs,
- Psychotropic Medication,
- Personal Rights and Social Emotional Well-Being,
- Personal Needs/Survival and Economic Well-Being,
- Discharged Children, and
- Personnel Records.

For purpose of this review, 12 placed children were selected for the sample. The Contracts Administration Division (CAD) interviewed 9 of 12 children. Two children were too young to be interviewed and another child did not have the capacity to be interviewed. During the home visits, the three children were observed to be comfortable and well-cared for in the Certified Foster Homes (CFHs), and their Certified Foster Parents (CFPs) were observed to be responsive to the needs of the children. CAD reviewed all 12 case files to assess the care and services they received. Additionally, four discharged children's files were reviewed to assess the FFA's compliance with permanency efforts. At the time of the review, one child selected for the sample was prescribed psychotropic medication. The case file was reviewed to assess for timeliness of Psychotropic Medication Authorizations and required documentation of psychiatric monitoring.

CAD reviewed eight CFP files and five staff files for compliance with Title 22 regulations and County contract requirements. Site visits were conducted to the FFA and the CFPs' homes to assess the quality of care and supervision provided to the placed children.

CONTRACTUAL COMPLIANCE

CAD found the following five areas to be out of compliance.

Licensure/Contract Requirements

- Community Care Licensing (CCL) citations.

CALIFORNIA INSTITUTE OF HEALTH AND HUMAN SERVICES DBA CHILDREN'S WAY FOSTER
FAMILY AGENCY CONTRACT COMPLIANCE REVIEW
PAGE 2

CCL cited the FFA as a result of deficiencies and findings in a complaint received on May 23, 2014. According to the report dated August 18, 2014, CCL substantiated a Personal Rights and Neglect/Lack of Supervision violation. A child reported the CFP and other children in the home were mean and used derogatory names toward three placed children. The CFP engaged in a physical altercation with one of the children. CCL substantiated the allegations. A Department of Children and Family Services (DCFS) Emergency Response Children's Social Worker (ER CSW) and the Out-of-Home Care Investigation Section (OHCIS) investigated and substantiated the allegations. The home was placed on an Indefinite Hold by OHCIS and will not be used as a placement resource for Los Angeles County DCFS. The FFA de-certified the home on July 16, 2014. CCL did not require a Plan of Correction (POC) since the home was decertified.

CCL cited the FFA as a result of deficiencies and findings in a complaint received on May 29, 2014. According to the report dated August 20, 2014, the agency was cited for financial issues. According to the CCL complaint, the FFAs staff salaries were reduced on May 30, 2014, and the agency notified all staff on the same day. The FFA did not timely pay its licensing fees. A meeting was held on July 21, 2014 with CCL, the FFA's management, Out-of-Home Care Management Division (OHCMD), and CAD to discuss a repayment plan and CCL's solvency review. On August 20, 2014, all financial issues had been resolved and on August 26, 2014, CCL cleared the POC.

Recommendation:

The FFA's management shall ensure that:

1. The FFA is in compliance with Title 22 regulations and free of CCL citations.

Facility and Environment

- Money and clothing allowance logs were not maintained.

In 1 of 9 CFHs, comprehensive clothing allowance and monetary allowance logs were not properly maintained. For one child, the clothing allowance log showed that the full clothing allowance amount was not given for the month of December 2014, and the weekly allowance was not given for one full month in November 2014.

Prior to CAD completing the Contract Compliance Review, a new log was provided to verify that the child received the missing amounts for the months of November and December 2014.

During the Exit Conference, the FFA representatives stated that retraining was provided on June 18, 2015, to all CFPs on proper documentation and maintenance of clothing and monetary allowance logs.

Recommendation:

The FFA's management shall ensure that:

2. Monetary and clothing allowance logs are accurately maintained.

Education and Workforce Readiness

- Child not enrolled in school within three school days.

One child was not enrolled in school within three school days of placement. The child was placed on October 21, 2014, but was not enrolled in school until October 27, 2014.

During the Exit Conference, the FFA representatives stated that they would reiterate the importance of getting children enrolled in school within three days of placement and would document all efforts to ensure it happens.

Recommendation:

The FFA's management shall ensure that:

3. Children are enrolled in school within three days of placement.

Personal Needs/Survival and Economic Well-Being

- Clothing allowance was not provided in accordance with the FFA Program Statement.

For one child, her clothing allowance log reflected that she did not receive the complete clothing allowance for the month of December 2014.

- Minimum weekly monetary allowance was not provided.

For one child, the allowance logs reflected that she did not receive any weekly monetary allowance for the month of November 2014.

Prior to CAD completing the review, a new clothing and monetary log was provided, verifying the child received both the outstanding weekly and clothing allowances.

During the Exit Conference, the FFA representatives stated that on March 2, 2015, a retraining was provided for CFPs on proper documentation and maintenance of clothing and allowance logs. CAD confirmed this training took place during a follow-up visit on July 16, 2015.

Recommendations:

The FFA's management shall ensure that:

4. A clothing allowance is provided in accordance with the FFA Program Statement.
5. Minimum weekly monetary allowance is provided.

Personnel Records

- Timely health screening and tuberculosis clearances were not in one employee's file.

CALIFORNIA INSTITUTE OF HEALTH AND HUMAN SERVICES DBA CHILDREN'S WAY FOSTER
FAMILY AGENCY CONTRACT COMPLIANCE REVIEW
PAGE 4

For one employee, there was no documentation on file that a timely health screening/tuberculosis clearance had been performed prior to employment. The employee's date of hire is June 3, 2004 and their health screening/tuberculosis clearance was completed on July 6, 2004.

Recommendation:

The FFA's management shall ensure that:

6. Timely employee health and tuberculosis clearances are conducted.

**PRIOR YEAR FOLLOW-UP FROM DCFS CAD's FOSTER FAMILY AGENCY CONTRACT
COMPLIANCE MONITORING REVIEW**

CAD's last compliance report dated August 4, 2015, identified 4 recommendations.

Results:

Based on the results of the current review, the FFA fully implemented 4 of 4 recommendations for which they were to ensure:

- All criminal clearances and health screenings for other adults are completed.
- Common areas are well maintained.
- Adequate perishable and non-perishable food is maintained.
- FFA Social Workers develop timely, comprehensive, initial NSPs with the child's participation.

During the Exit Conference held on June 10, 2015, the FFA representatives expressed their desire to remain in compliance with Title 22 regulations and contract requirements and were in agreement with the findings and recommendations.

CAD conducted a follow-up visit on July 16, 2015. Based on the follow-up visit, it was noted that the FFA had implemented all six recommendations noted in this report. The Out-of-Home Care Management Division will provide ongoing technical assistance prior to the next monitoring review.
